Notes:

1. *In conversation classes, students sit in groups and discuss topics, role play, and ask/answer questions. Special emphasis is placed on constructing questions to start/maintain conversation.*
2. *Students who are at a higher level but are not comfortable or confident speaking with native English speakers should start in Beginning Conversation class.*
3. *Computer skills are required to complete homework assignments. Students who do not have computer skills may sign up for a free workshop at West Charleston language lab.*
