COLLEGE OF SOUTHERN NEVADA
Bachelor of Applied Science Degree Cardiorespiratory Sciences Fall
2017 Selection Criteria

Qualified applicants must have completed an AS, AOS, or AAS Degree (or equivalent) from a Respiratory Therapy (RT) program accredited by the Commission on Accreditation for Respiratory Care.

Program must be regionally accredited with RT credits accepted by CSN as approved by the registrar’s office.

Must have Registered Respiratory Therapist (RRT) credential from the National Board for Respiratory Care (NBRC)

Current state RT license;
Nevada Board of Medical Examiners = 10 points
Other State = 5 points

Cumulative CRS Degree GPA:
2.50 – 2.70 = 1 point
2.71 – 3.00 = 3 points
3.01 – 3.50 = 5 points
3.51 – 4.00 = 7 points

Overall GPA (all classes taken at CSN minimum of 15 credits) > 3.0 = 10 points
Graduate of CSN CRS AAS program = 10 points

**** Note: new grads (within 6 months of application) may apply while RRT and state license are pending but must have both prior to the start of instruction****
