Bachelor Degree Cardiorespiratory Sciences  
Bachelor of Applied Science (121 Credits)  
For students Seeking Admission to the Fall 2017 Program

The Limited Entry Office will be responsible for managing the application process and the selection of students will be performed by an admissions committee. Qualified applicants must:

- Have completed an AS, AOS, or AAS Degree (or equivalent) from a Respiratory Therapy (RT) program accredited by the Commission on Accreditation for Respiratory Care  
  - Complete a minimum of 81 transferable college credits (30 of which must be in General Education Courses)  
- Complete special program degree requirements  
  - Have a Registered Respiratory Therapist (RRT) credential from the National Board for Respiratory Care (NBRC)- Prior to FALL 2017  
  - Have current state RT license (any state; license from Nevada Board of Medical Examiners preferred, but will be accepted if pending)- Prior to FALL 2017

Applications will be ranked and selected using a point system through which points will be awarded. Please see attached Selection Criteria sheet.

**GENERAL EDUCATION REQUIREMENTS:**  
PHIL 302 & 311  
U.S. & Nevada Constitution*  
6  
4  
10 Cr

* See AAS degree requirements in College Catalog

**IMPORTANT POINTS TO REMEMBER:**
- Selection Occurs: Once a year  
- Program Begins: Fall 2017  
- Application Deadline: July 1, 2017

Applications received after the Application Deadline will only be considered if space permits. Proof of completion of all program prerequisites must be in the Limited Entry Office by this date.

- Maximum number of students admitted: 12
- Science courses must be no more than 7 years old at the time of entry into the program.
- Students are encouraged to be computer comfortable for success in the program.

**PROGRAM COURSES:** These are specialized courses within a health discipline and are restricted to students accepted into the program. Program courses are subject to revision and will not impact program admission.
