

Meeting Agenda – 4 November 2008
Steering Committee for
CSN’s Slot Technology Program

Sign-in, building tour, beverages **3:00 - 3:30 PM**

Welcome - Dr Spangler Dean of the College of Advanced and Applied Technologies
3:30 - 3:40 PM

Program Update **3:40 - 4:00 PM**

- a. Suggested Web Page improvements
- b. Comments/Suggestions on Degree and Certificate changes starting fall 2009
- c. Comments/Suggestions on CSN adding a new ATM/Kiosk/Self Serve automated interface degree. The current Slot degree isn’t suitable for new high school graduates

Program Review **4:00 – 4:45 PM**

Overview: One of the chief program concerns is keeping the core courses current. Let’s start with a review of the Introduction to Slot Technology course since it is usually the first course new students take.

ET 138B - Introduction to Slot Technology

Course Description

Suggested changes

Outcomes

Suggested changes
