CSN MATHEMATICS COURSE SEQUENCE
(Effective Summer 2014)

MATH 123
Stat & Geo Concepts for Elem School

MATH 122
Num Concepts for Elem School

MATH 124
College Algebra

MATH 127
Precalculus I

MATH 128
Algebra & Trigonometry
(5-credit hour combination of MATH 126 & MATH 127)

MATH 126
Precalculus II

MATH 132
Finite Math

STAT 152
Intro to Stat

MATH 181
Calculus I

MATH 182
Calculus II

MATH 185
Differential Equations

MATH 283
Calculus III

MATH 253
Matrix Algebra

MATH 251
Discrete Math I

MATH 96
Intermediate Algebra

MATH 95
Elementary Algebra

MATH 104
Applied Math

MATH 116
Technical Math

MATH 120
Fundamentals of College Math

MATH PLACEMENT INFORMATION
If the proper prerequisites for any MATH course have not been satisfied, students MUST take the Math Placement Test, which can be done in the Testing Center of any CSN Campus.

If a student's placement is below MATH 95, the student may register for MATH 104, MATH 116, or the MATH PREP course.

Please visit www.csn.edu/math for additional information about the Math Department, MATH courses, and the Math Placement Test, including study modules and practice tests.

IMPORTANT!
The selection of a course depends on your specific degree or program. Confirm which math class you need with a Counselor, Advisor, or the Math Department before you register.

MATH 116 and MATH 104 are only acceptable for specific AAS and AGS degrees and are not transferable for credit to four-year institutions.

MATH 116 and MATH 104 are only acceptable for specific AAS and AGS degrees and are not transferable for credit to four-year institutions.
