MID-SEMESTER CHECKLIST
Meet with each of your Professors to
get your “actual” grades for each of
your courses.

Check out what students had to say
about The Compass...

“Helped me gain a knowledge of where
I am and where I should be during the
semester.”

“I thought it was organized well and it
helped open my eyes to what I need to
know and ways to stay motivated.”

“I found that it is a useful way for me
to check how I have done so far in the
semester.”

“I found the information very helpful and
something new and I think that this is
good.”

“I wish all my teachers used this. This was
a great tool to use and very informing.”

“The check list is helpful to calculate grades
and success for the rest of the semester.”
